A note about turning 5

If your child is turning 5 but most of your party guests are under 5, please choose a Family Party activity.

If most of the guests will be 5 & up you may select from the Classic, Premium, or Deluxe Party activities.

"Participating children"

The "participating children" guest count includes all children who will join in on the chosen party activity.

Parents and non-participating siblings who stay onsite are NOT included in the official guest count.
